

**Gender STI Final Conference
Advancing Gender Equality in International
STI Cooperation**

**OCTOBER 5, 2023
Hybrid/Madrid**

Gender STI

Dear Gender STI Community,

The Gender STI final conference "**Breaking Barriers: Advancing Gender Equality in International Science, Technology and Innovation Cooperation**" is around the corner. This hybrid event will showcase the innovative outputs of the project and discuss ways of collaboration to advance gender equality in STI international cooperation. Join the conference and connect with policymakers, researchers, funding agencies, government bodies, and high-level expert panels on gender equality in Europe and international partner countries.

When: October 5th

Where:

- On-site: Universidad Politecnica de Madrid, Spain. You can use [this map](#) to help you navigate your way to the venue.
- Online: You can access the conference through the [following link](#).
